RECIPE

Treat your dog to some tasty snacks in this easy how-to recipe!

You will need

- 1x onion & garlic free stock cube
- 350g wholemeal flour
- 1x Large egg

Heat the oven to 200C / 180C fan / gas mark 6, then line a baking tray with non-stick baking paper.

Step 1

Place the stock cube into 125ml of boiling water (be careful!) stir until it's completely dissolved. Put the flour, egg and stock into a bowl and mix with a wooden spoon until it becomes a ball - Remember, wash your hands if you have raw egg on them!

Step 2

Dust down the work top with flour. Next, using a rolling pin roll out the mixture until it's roughly 0.5cm thick - It doesn't have to be exact!

Step 3

Now for the fun! Using pastry cutter cut out the biscuits and place them in your lined baking tray.

Step 4

Cook in the oven for 25 minutes until golden brown. Allow to cool before treating your dog to a tasty snack! Store in an airtight container for up to a week.
